# HELPING YOU CONSERVE, PROTECT AND CHERISH YOUR WATER

\*Kinetico Model S650 XP

The S650 XP provides more soft water from each bag of salt than any other water softener you can buy.

Some brands may claim to have the most efficient water softener, but Kinetico has the data to prove it.

Our claim is based on independent testing by the Water Quality Association (WQA) to NSF/ANSI Standard 44, an industry-standard efficiency rating measuring the amount of hardness removed per pound of salt.

## With the Premier Series S650 XP, you'll enjoy **HIGH EFFICIENCY** and so much more:

- Space-saving, compact size
- Soft water available any time, day or night
- Innovative non-electric controller
- Industry-leading warranty for peace of mind
